

How to get to La Londe

Conference Address

Odalys - Résidence Les Océanides
395, bld de la Plage de l'Argentière
83250 LA LONDE LES MAURES

If you connect through Paris, the most convenient way to the Conference is to fly to Toulon airport. The only flights to Toulon airport leave from the Paris Orly airport, whereas most international flights arrive at Paris CDG airport. This implies to take a shuttle bus from CDG airport to Orly airport (Air France shuttles take about one hour).

You might prefer to take the TGV (high speed train) leaving directly from Paris CDG airport to Toulon (with one quite easy train change in Avignon or Marseille).

If you have a direct flight to the Marseille or Nice airports, public transport to the conference site is quite complicated. You may take a taxi (fare > 200 €) or rent a car.
